

NORMACLAMP® Ear clip single

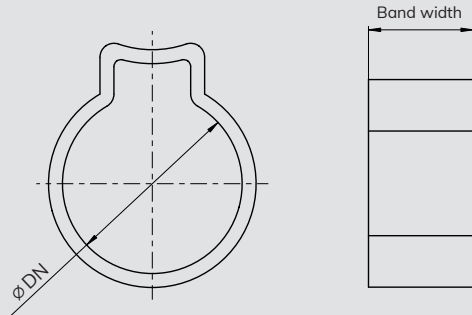

One part clamp for low and medium pressure

- ✓ Cost effective, and simple alternative to worm drive hose clips
- ✓ Fast and easy to install
- ✓ Suitable for definitive fixation of connecting pipes
- ✓ Ideal in narrow spaces

HOSE CLAMPS

NORMACLAMP® Ear clip single

Applications

Ear clip single is well suited to applications involving poly and braided tubing that require a complete seal, e.g. for:

- For hoses that convey compressed air or fluid
- Original equipment manufacturing
- Joining lines in machine building applications
- Maintenance repair and overhaul
